

When you need a viewing
Facility I'd recommend

the qualitative lab

RECOMMEND US AND receive a
£100 VOUCHER!

the qualitative lab

A little birdie told us that the best form of advertising is by word of mouth, so if you are a field company, moderator or agency, we would be very grateful you would recommend our viewing facility to your contacts. As a thank you we will show our appreciation with a £100 voucher of just for you!

If the client that you recommend is new to us, and hires our facility for the first time within the next 12 months, we will reward you with a £100 voucher from a retailer of your choice as soon as their first booking has taken place... and there is no limit to the number of recommendations you can make!

We look forward to hearing from you and your contacts...
